

### Remarks

In the final Office Action dated August 13, 2003, the Examiner allowed claims 2, 15, 16, 25-27, 34-45, 47-59, 61-73, 77 and 78. The Examiner has only objected to claims 75 and 76 as being dependent upon a rejected claim. In this Amendment, Applicants have amended claim 75 to change its dependency from canceled claim 74 to allowed, independent claim 65. As a result, dependent claim 76 is in proper dependent form as it depends from claim 75. Since independent claim 65 has been allowed, dependent claims 75 and 76, which depend from claim 65, are also in condition for allowance.

Based upon the amendment to claim 75, Applicants submit that this application has been placed in condition for allowance and request entry of this Amendment and issuance of a Notice of Allowance. The Examiner is invited to call the undersigned attorney if a telephone call could help resolve any remaining items.

Applicants note that while no new claims have been added with this Amendment, Applicants are concurrently submitting herewith a Fee Transmittal Sheet authorizing payment for one additional dependent claim. Applicants note that with the previous Amendment filed on May 27, 2003 Applicants submitted a Fee Transmittal Sheet that inadvertently calculated the number of new dependent claims as one less than the actual number submitted. However, that Amendment authorized the payment of any additional fee due. Therefore, it is possible that the payment for this additional dependent claim has already been charged to Pennie & Edmonds LLP Deposit Account No. 16-1150. If not, please charge the required fee of \$42 to Pennie & Edmonds LLP Deposit Account No. 16-1150. Applicants do not believe that any other fees are due with the present submission; however, if it is determined that such a fee is due, please charge the fee to Pennie & Edmonds LLP Deposit Account No. 16-1150. A copy of this sheet is enclosed.
